Dear Mr. Sullivan,

On Friday, April 25 at 10am we are hosting a Town Hall to discuss the status of the Livermore Realignment Project and the progress of the planned clinic at French Camp in Stockton, California. Veterans from across the Central Valley who will be served by this facility have been invited to attend as well as representatives of VA Palo Alto, VISN 21 and the Oakland Regional Office.

Given the critical importance of this facility for veterans in our District we would request that you brief our constituents on the timeline of construction and the process of priority ranking within SCIP. Please contact my District Director Bob Rucker at (209)579-548 or at Bob.Rucker@mail.house.gov if you have any questions or to indicate your availability. Location and time details are below:
